SURREY COUNTY COUNCIL CONSULTATION: COMMUNITY RECYCLING CENTRES

Dear Sirs

Limpsfield Parish Council writes as part of Surrey County Council's consultation regarding proposed changes to the Community Recycling Centre (CRC) arrangements.

We note that it is intended to-

1. Permanently close the Warlingham Community Recycling Centre.
2. Introduce a charge to dispose of construction wood and roofing felt.
3. Increase the cost of disposing of items.
4. Charge an annual application fee for van, pickup and trailer permits.

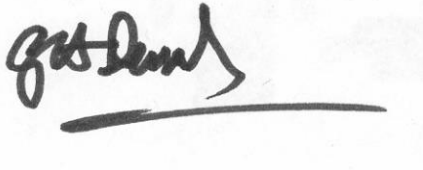

The previous changes in the opening hours of the Warlingham CRC and the introduction of charges for the disposal of certain items, have already resulted in an increase in fly tipping in Limpsfield.

The proposed changes will result in the loss of a valued community facility and will with the other changes, inevitably lead to a further increase in fly tipping. The costs of removing the waste material, will greatly exceed any cost savings achieved as a result of these proposed changes.

Fly tipping is unsightly and can be hazardous to road users when left in unlit country lanes.

Limpsfield Parish Council therefore strongly objects to the proposed changes to the Community Recycling Centre (CRC) arrangements.

Yours Faithfully
