## Summary

This report updates Parish Councillors on issues considered by the Green Spaces and Rights of Way Committee.

### 1. Royal Oak – Tatsfield Green.

The committee are aware that there has been some adverse comment regarding the protective fencing erected around the Royal Oak on Tatsfield Green.

Having considered the issue, the committee decided by a majority vote (6 to 3) in favour of maintaining the existing arrangements.

### 2. Westmore Green – Maintenance Plan

The Parish Council are asked to agree in principle to the GS&RW Committee drafting a maintenance plan for Westmore Green. Mr Jon Allbutt produced and circulated a draft plan to committee members who endorsed the approach and will work to refine the content – subject to Parish Council endorsement.

### 3. Old Lane – Surface Water

The issue of Old Lane surface water management was raised. It was agreed to pursue the issue initially via the Parish Council.
