Highways and Rights of Way

Location	Issue / Concern	Status	Date Reported	Comments
Relocation of Salt/Grit bins	Ship Hill Opposite Ninehams Road to relocate this bin directly opposite its present location to the Ship Hill junction with Ninehams Road. This will allow access to salt/grit from the footpath and negate the need to cross Ship Hill and stand in the road to obtain salt/grit. The proposed site has been inspected and approved by Surrey County Council.	Awaiting relocation.
