Summary This report summarises the recommended actions that the Parish Council should refer to the Communications Advisory Committee.	
There are a number of recommended actions that it is appropriate for the Parish Council to refer to the Communications Advisory Committee for consideration/ action: 9 The Parish Magazine should list all village clubs in a 1or 2 page spread in the Parish Magazine and on the village website, with place, time and contact details. 12 Relevant information to point people in the correct direction for FE courses to be put in Parish Magazine and website. 13 Village organisations should try to improve communication with the youngsters of the village. 16 The Parish Council should use as many means as possible to keep the community informed of current issues and plans. 27 We recommend that the quoted comment is placed on the village website and is featured in the Parish Magazine. 30 The Parish Council and Police should encourage residents to report all crime, however minor, so that statistics on the level of crime can be accurately maintained. The Website Team should: 48 Continue to publicise the existence of the website. 49 Expand the 'local items for sale' section of the village website 50 Include the Wallet of Walks on the village website. It is proposed that 9, 12, 13, 27, 48, 49 and 50 are put on the TCAC agenda for action and items 16 and 30 for consideration and reporting back to the council.
