### **CONCERT SEASON 2019 – 2020**

Hallo Everybody,

The 2019-2020 Concert Season starts again in September at the Royal Festival Hall, so I am setting out below outline details of some of the concerts which may interest you. Full details can be found on the Orchestras' web sites, or telephone and ask them to send you programme details – I find it is much better to have something to hold in your hand and read than trying to jump around on the computer screen. It is worth noting that both the London Philharmonic Orchestra and the Philharmonia Orchestra offer discounts if you book 3+ concerts at the same time. I have usually booked Rear Stalls Rows RR or SS.

The telephone numbers for booking or requesting brochures of programmes are:-

London Philharmonic Orchestra - 020 7840 4242

Philharmonia Orchestra – 0800 652 6717

There are other concerts by different orchestras also at the Royal Festival Hall, but I do not have these details.
